Today---An Important Remnant Day of Real Savings

Our weekly Remnant Day is so well known and appreciated that we believe it necessary only to recall it to the minds of our patrons, and they would know at once what splendid opportunities for saving it presents—however, we think it better to show exactly the items offered and the savings possible, as far as we can.

Remnant Day is not only a day of reductions on Remnants—the small lots, odd sizes, one of a kind things, soiled and mused, or slightly damaged articles, but also a day when special prices and reductions are in force on quantity lots of merchandise. It is an advantageous opportunity and everyone of economical inclination should patronize it.

Local Mail or Phone Orders cannot be accepted, nor can any purchases be sent C. O. D. or on approval, as we consider the sale of Remnants final and not returnable for exchange or credit—and every Remnant is sold with that understanding.
